## **NOW OFFERING VIRTUAL VISITS**

The FAAWC has been approved to offer virtual visits with our providers. Medicare and some private insurances cover these visits. We also offer cash pay options for \$30, \$60, and \$100 depending on the length of the appointment.

### **To use telehealth services, you must:**

- Be an existing FAAWC patient
- Have a mobile phone and email address
- Call the office to schedule this type of appointment

## **NOW OFFERING VALET VISITS**

The FAAWC is offering special services for those over 60 years old or who are immunocompromised. You will park under our covered awning and be escorted directly into a treatment room where you will complete check-in, be seen by your provider, and complete check-out. You will have minimal contact with staff and minimal to no contact with other patients. Please ask for this type of appointment when you call to schedule.
