ASSIGNMENT OF BENEFITS

I authorize the release of any medical or other associated information to my insurance company or companies necessary to process my medical claims. I also authorize payment of medical benefits directly to Foot & Ankle Wellness Center for medical services and supplies provided.

Signature of Patient (or Parent/Guardian): _____ Date: _____

FINANCIAL POLICY

Full payment is expected on the day medical services are provided unless you have health insurance that we are in contract with. Our contract with your insurance company requires you to pay the following:

CO-PAY:	An amount you must pay at each visit to a doctor.
NON-COVERED SERVICES:	Services that are not covered under your insurance benefit plan.
DEDUCTIBLE:	An amount you must pay first out of your own pocket each year before your insurance will pay for any services.
CO-INSURANCE:	An amount (usually a percentage) of the fee that your insurance company expects you to pay.

We will scan your insurance card(s) at your initial visit. After that, you must inform us of any change in coverage and provide us with your new insurance card(s). If you do not provide us with your insurance information you will be required to make a full payment at the visit for services rendered. Some insurance plans require a referral from your primary care physician. You are responsible for obtaining this referral prior to your visit or you will be required to make a full payment at your visit for services rendered. If you have two health insurance plans, it is your responsibility to inform us which plan is your PRIMARY coverage that we will bill first and which plan is your SECONDARY coverage.

It is your responsibility to know your insurance benefits. We will bill your insurance company on your behalf. It is ultimately your responsibility to convince your insurance company to pay for covered services on your behalf. Any "allowed amount" not paid or written off by your insurance company will be billed to you. Orthotics and other services not covered by insurance will be billed to you. You will receive a statement by mail, and you must pay the balance within 30 days. You may use CASH, CHECK or CREDIT CARD. You will be assessed a finance charge monthly (12% annually) or a $1 minimum monthly fee on any unpaid balance.

CANCELLATION POLICY: If you need to cancel or reschedule an appointment, please notify us at least 2 business days in advance to allow us to offer that appointment time to another patient. If you should cancel, reschedule or fail to attend an appointment without 2 business days' notice, a **fee of $35** will be charged.

☐ Check if billing address is the same as patient address.
